

Abida Mirza

FULL STACK DEVELOPER

PROFESSIONAL SUMMARY

I am a Full Stack Developer with a vast array of knowledge in many different front end and back end languages, responsive frameworks, database, and best code practice. My objective is simple to be the best web developer that i can be and to contribute to the technology industry all that I know and can do. I am dedicated to perfecting my craft by learning from more seasoned developers, remaining humble, and continuously making strides to learn all that I can about development. I believe that my understanding of problem solving and complex algorithms are also skills that have and will continue to contribute to my overall success as a developer.

EXPERTISE & SKILLS

Front End Languages: HTML5, CSS3, JavaScript, Python
Frameworks: Bootstrap, jQuery, React
Back End Languages: PHP, JavaScript, Python
Database: MySQL
Others: Shopify, Node.JS, Wordpress, SASS, Media Queries, Git & GitHub

MORE ABOUT ME

I am self-motivated, hard working and extremely driven. I work well under pressure and can deliver reliable results. I am a team player and can work in a fast environment. I am multilingual and can speak in English, German, Bangla, Hindi, Urdu and a little Spanish.

HOBBIES

- Traveling
- Fishing
- driving
- Playing Cricket
